> Invacare[®] S2000 Mattress

The S2000 Mattress is a great entry level, cost effective pressurecare mattress for everyday home and Age Care use. The S2000 Mattress is made of EL33/100 foam with zone-contoured cuts in the upper layer. This allows for additional comfort and an even weight distribution for clients up to 130kgs. The S2000 comes standard with a two-way stretch waterproof cover and is also available with a fully quilted cover as an optional extra. The S2000 has been UltraFresh[®] treated and is fire retardant. The Invacare S2000 mattress comes with a two year warranty on foam and cover.

Mattress Size: 2000mm long x 860mm wide x 130mm deep
