Suspension:	Full
Seat:	Adjustable, swivel, height, arms
Package Includes:	Front basket, manual, walking stick holder, charger, paint repair, toolkit.
Transport:	Splits into 4 sections, battery can be charged separately.

Indoor 300

The Indoor 300 is the largest of our transportable range. Small enough to fit into a large car boot or tuck away around the house. This model does not break into halves as per the smaller indoor models but still can easily be moved. For better ground clearance and comfort the Indoor 300 has 8" tyres, swivel seat, and a lockable cargo.

Features

Tyre size:	8"
