European Styled Collection

Invacare®
Leo

Safe, Solid, Secure

The Invacare® Leo™ provides the definitive blend of a safe comfortable ride, solid trusted design and secure manoeuvrability. Safety is a key feature of the Leo™ without detracting from its stylish and sporty looks.

The Leo™ is an affordable 4-wheeled compact lightweight scooter designed for all those who value their independence and wish to get out and about unaided.

Invacare[®] Leo

The Invacare[®] Leo[™] offers users the freedom and confidence to enjoy essential daily outings and leisure excursions. With extremely high standards of design and safety engineering, the Leo[™] undoubtedly sets a new market benchmark.

- Anti-corrosion chassis

- Fully adjustable comfort seat with premium upholstery

- Full intelligent lighting system with bright light

Rear brake lighting warns that the scooter is slowing down, thus preventing collisions.

Adjustable seat and tiller positions

2-step disengaging lever prevents the scooter from accidentally freewheeling.

Intuitive control panel with touch pad for easy operation and cleaning

Features

Spacious control panel includes:

- Accurate easily readable battery indicator
- Handy 'Speed dial'
- Horn button
- Hazard light button
- Left & right turn signal buttons & indicators
- Headlight button & indicator
- Thumb lever

Peak 450w motor – comfortably climbs hills (up to 10 degree inclines and 6cm kerbs).

Quality electronics, 90 amp Dynamic DR-series Controller

– reliable, powerful performance that readily copes with a 136kg weight capacity and allows for easy adjustment of program settings.

2-step disengaging lever – prevents the scooter from being knocked into freewheel.

Full intelligent lighting system - including "Xenon-style" lights, indicators and brake lights for improved road safety . The remaining lighting system stays on should one bulb blow.

Luxury swivel seat – fully adjustable, for extra comfort as well as improved access to get on and off your scooter.

Dismantles easily - makes trips to the park or the shops with family and friends easy and hassle free.

Simple off board charger - makes charging more convenient.
